

Le Roi Daniels

School Digital Citizenship Plan 2024-2025

This plan is one component of the CBE Digital Citizenship Process. Schools must complete this plan:

- to allow students to connect to the school’s wireless network with their own devices
- to be compliant with Administrative Regulation 1062 Use of Electronic Resources
- to follow the acceptable use policy in relation to ARs : 1062,1063,1064,1067,6005,6006

Goal	Competency	Outcomes	Strategies and resources
Protecting passwords and visiting appropriate sites	Safety - I know how to be safe online and create safe spaces for others in online communities - I know how to protect my personal information online	- Students will keep their password protected - Students will visit safe and appropriate sites at school and be responsible and safe when accessing sites.	- Review resources on Digital Citizenship Insite Pages - Teacher created strong passwords - Support from the Teaching and Learning with Technology Specialists - Prepare students to act morally and ethically when using all digital resources with Le Roi Daniels school through direct teaching and supervision
Understanding Digital Tools for learning	Involved - I leverage digital tools to learn, express my creativity and collaborate with others	- Students will understand how to use Google tools and make decisions on which tools will suit their learning needs - Students will explore a variety of educational apps provided on iPads to support their math and literacy learning	- Teachers will familiarize themselves with the features of Google tools - Teachers participate in Technology Lunch n’Learn sessions to gain understanding of new tools, led by the technology specialist in the school - Multiple literacy and numeracy apps to support student learning in Grades K-3
