Is TLC right for my Kindergarten Child?

- ▶ Students in Kindergarten have many expectations, both academically and socially. In TLC the basis of our program is around the philosophy of WHOLE GROUP with the Gradual Release of Responsibility Model of instruction. This means for your child to have the best success in this program they need to:
 - ▶ - follow routines without multiple reminders
 - ▶ - sit and listen to instructions and lessons for a minimum of 15 minutes without getting up to move around the room
 - ▶ - work independently on task for a minimum of 10-15 minutes
 - ▶ - demonstrate consistent control and regulation of emotions, behaviours and personal space/boundaries that are age appropriate

Other Information about TLC you need to know

- ▶ Parent commitment and involvement is **CRUCIAL!**
- ▶ - This means that communication needs to happen on a regular basis between the teacher and parents.
- ▶ -Review of student work /practice should be completed daily by the children and returned to the school on time
- ▶ - Uniform expectations need to be followed at ALL times
- ▶ - Partnership between the school and home goes beyond the classroom and extends to bussing and fieldtrips as well
- ▶ - Please be sure to sign up for **School Messenger before August!**
- ▶ -Please help us start your child's educational career on a great path!!

Things to do ASAP

- ▶ After hearing this presentation and learning what TLC is and the expectations, ensure that this is the right program for your child's best success. If it is then :
 - ▶ 1) Register for School Messenger through the tab on the school website that says "SUBSCRIBE" – you **MUST** click commercial messages!
 - ▶ 2) Register for bussing (even if you are not sure if you are using it yet!)
 - ▶ 3) Mark your calendars with your staggered entry times
